

STROBEL Board

Foot Protection

Mitigate Fear. Prevent Injury.

D30's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

D30® strobel boards offer a simple solution to adding increased protection and comfort to a range of footwear. The unique decell material reduces transmitted force into the body and provides a comfortable feel throughout the footstrike.

Product Features

- Features D30® patented technology
- Bonded to durable, premium fabric
- The latest in our strobel sheet offering
- Low profile
- Ideal for any in-shoe application from sports to industrial to military
- Cosmo fabric available
