

BP4 L2

Level 2 Back Protection

Mitigate Fear. Prevent Injury.

D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

The D3O® BP4 L2 offers a highly breathable, durable back protector that exceeds CE Level 2 certification. An exceptionally soft and flexible back protector, the BP4 is the most breathable back protector on the market, delivering 34% more breathability than the next best competitor.

Product Features

- D3O® patented technology
- Certified to exceed performance requirements of EN 1621-2:2014 (Level 2) in ambient and wet conditions.
- UKCA Certified
- Highly ventilated geometry for increased breathability
- Lightweight design for wearer comfort
- Maximum coverage via extended tail
- Loophole feature for accurate positioning
- Premium fabric backed finish
- 3 sizes available
